## Westshore Beach Inn

### HOUSE OF BROOKFIELDS WINE

Peter, Sharon and Rachel Robertson of Brookfields Vineyards have had a long association with Carol, Toni, Sebastian & Jeremy Bayliss. Since Jeremy arrived in Hawke's Bay, initially at the Criterion Hotel, then Shed 2, and now The Westshore Beach Inn, there has been a symbiotic relation with both parties always there to support the other.

|                                                                                                                                                                                                           | <b>Glass</b> | <b>Bottle</b> |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|---------------|
| <b>Brookfields 'Deco' Chardonnay</b>                                                                                                                                                                      | <b>5.50</b>  | <b>27.00</b>  |
| Hawke's Bay - Creamy, lemon and stonefruit flavours with a rich buttery backbone                                                                                                                          |              |               |
| <b>Brookfields 'Marshall Bank' Chardonnay</b>                                                                                                                                                             |              | <b>49.00</b>  |
| Hawke's Bay - Full bodied wine with apricot, peach, toast and oak                                                                                                                                         |              |               |
| <b>Brookfields 'Bergman' Chardonnay</b>                                                                                                                                                                   | <b>7.50</b>  | <b>35.00</b>  |
| Hawke's Bay - Light straw tones fill the glass. Peach and melon characters. Due to the barrel stirring and partial malolactic fermentation, the 2009 Bergman Chardonnay has weight and complexity.        |              |               |
| <b>Brookfields 'Deco' Sauvignon Blanc</b>                                                                                                                                                                 | <b>5.50</b>  | <b>27.00</b>  |
| Hawke's Bay - Tropical fruit with a silky texture and racy finish.                                                                                                                                        |              |               |
| <b>Brookfields 'Robertsons' Pinot Gris</b>                                                                                                                                                                |              | <b>35.00</b>  |
| Hawke's Bay - Ripe fruit supported by a hint of residual sweetness.                                                                                                                                       |              |               |
| <b>Brookfields 'Ohiti Estate' Riesling</b>                                                                                                                                                                | <b>7.50</b>  | <b>35.00</b>  |
| Hawke's Bay - A youthful straw colour. The 2009 Ohiti Estate Riesling is aromatic with generous lime and floral notes. The palate is under pinned with a splash of sweetness due it being stop fermented. |              |               |
| <b>Brookfields 'Amarone Style' Malbec</b>                                                                                                                                                                 |              | <b>43.00</b>  |
| Hawke's Bay - Powerful wine with ripe plum and berry                                                                                                                                                      |              |               |
| <b>Brookfields 'Ohiti Estate' Cabernet Sauvignon</b>                                                                                                                                                      | <b>7.50</b>  | <b>35.00</b>  |
| Hawke's Bay - Great with steak                                                                                                                                                                            |              |               |
| <b>Brookfields 'Gold Label' Cabernet Merlot</b>                                                                                                                                                           |              | <b>79.00</b>  |
| Hawke's Bay - Enriched berry, spice and leather on the mid palate with ripeness of fruit and new oak                                                                                                      |              |               |
| <b>Brookfields 'Burnfoot' Merlot</b>                                                                                                                                                                      |              | <b>35.00</b>  |
| Hawke's Bay - Intense red. Dark and intense, Sweet berry is under pinned with plum and spice.                                                                                                             |              |               |
| <b>Brookfields 'Deco' Merlot Cabernet</b>                                                                                                                                                                 | <b>5.50</b>  | <b>27.00</b>  |
| Hawke's Bay - Very deep colour, nicely balanced fruit and tannin, and a particular rich plum character fills the palate and lingers on the finish                                                         |              |               |
| <b>Brookfields 'Hillside' Syrah</b>                                                                                                                                                                       |              | <b>67.00</b>  |
| Hawke's Bay - Rich with flavours of plums, pepper and spice                                                                                                                                               |              |               |
| <b>Brookfields 'Back Block' Syrah</b>                                                                                                                                                                     |              | <b>35.00</b>  |
| Hawke's Bay - Rich red hues fill the glass. Rich in colour, with intense Black Doris flavours under pinned with white and black pepper.                                                                   |              |               |

Peter Robertson of Brookfields has been crafting exquisite wines from his vineyards in and around Meeanee, Napier since 1977. Peter is often referred to as 'a quiet achiever', diligently going about his business, shunning the spotlight, letting his wines speak for themselves. And for over thirty years, those wines have certainly been telling a fascinating story.

## CHAMPAGNE/METHODE

|                                                                                                                                                                              |               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| <b>De Bortoli DB Sparkling</b>                                                                                                                                               | <b>28.00</b>  |
| NSW: Australia - A very refreshing, easy drinking sparkling style wine, with fresh fruit flavours, finishing clean with a delicate, creamy mouthfeel and a crisp acid finish |               |
| <b>Pol Roger Brut Reserve NV</b>                                                                                                                                             | <b>109.10</b> |
| Champagne; France - The blending of their most popular cuvée is a source of particular pride                                                                                 |               |
| <b>Trinity Hill H Blanc de Blanc NV</b>                                                                                                                                      | <b>49.00</b>  |
| Hawke's Bay - Aromas of green apple and gentle fresh baked bread. Finesse and charming!!                                                                                     |               |
| <b>Allan Scott Blanc de Blancs</b>                                                                                                                                           | <b>47.00</b>  |
| Marlborough - A perfect balance of fruity ripeness and acidity which makes for a flavoursome, elegant wine with a long smooth finish.                                        |               |

## WHITES

|                                                                                                   |              |
|---------------------------------------------------------------------------------------------------|--------------|
| <b>Jules Taylor Sauvignon Blanc</b>                                                               | <b>39.00</b> |
| Marlborough - Freshly cut capsicums, passionfruit & white currants                                |              |
| <b>Lake Chalice Sauvignon Blanc</b>                                                               | <b>35.00</b> |
| Marlborough - Intense aromas of gooseberry and Blackcurrent with grapefruit overtones             |              |
| <b>Moana Park "Vineyard Selection" Pinot Gris</b>                                                 | <b>30.00</b> |
| Hawke's Bay - Lifted aromas of pear drops and citrus with notes of honey suckle and passionfruit. |              |

## REDS

|                                                                                                                                      |                          |
|--------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| <b>Sacred Hill "Wine Thief" Pinot Noir</b>                                                                                           | <b>45.00</b>             |
| Central Otago - The palate is liquid silk with ethereal flavours of red fruits and vanilla nuances, wrapped up in a velvety texture. |                          |
| <b>Trinity Hill Pinot Noir</b>                                                                                                       | <b>35.00</b>             |
| Hawke's Bay - Aromas of raspberry, strawberry, plum and cherry. Soft velvet Tannins.                                                 |                          |
| <b>Eskdale Malbec</b>                                                                                                                | <b>39.00</b>             |
| Hawke's Bay - Concentrated, with typical Malbec rusticity and deep, dark fruits.                                                     |                          |
| <b>Moana Park "Vineyard Selection" Merlot Malbec</b>                                                                                 | <b>30.00</b>             |
| Hawke's Bay - Deep black cherry colour. Fruit driven style displaying spicy berry fruit with hints of fruitcake and tobacco.         |                          |
| <b>Moana Park "Vineyard Selection" Syrah</b>                                                                                         | <b>30.00</b>             |
| Hawke's Bay - Complex and rich fruit driven style, loads spicy notes. Soft, full bodied wine.                                        |                          |
| <b>Taylors Shiraz</b>                                                                                                                | <b>38.00</b>             |
| Clare Valley: North of Adelaide - Rich luscious palate. Dark chocolate & vanilla characters with generous red berry flavours.        |                          |
| <b>Trinity Hill Gimblett Gavel Tempranillo</b>                                                                                       | <b>50.00</b>             |
| Hawke's Bay - Wild raspberry and plum fruit aromas with spice character, with licorice on the finish.                                |                          |
| <b>Trinity Hill Montepulciano</b>                                                                                                    | <b>7.00</b> <b>32.00</b> |
| Hawke's Bay - Spicy blackcurrant and plum flavours with good tannin and acid - Good fun!!                                            |                          |

## DESSERTS / PORTS

|                                                                                                                |                           |
|----------------------------------------------------------------------------------------------------------------|---------------------------|
| <b>De Bortoli Noble One 375ml</b>                                                                              | <b>55.00</b>              |
